## WORK EXPERIENCE

Freelance Developer | Github: [Portfolio](#)

Frontend Developer

Enugu, Nigeria

Jun. 2024 - Present

- Developed responsive, user-friendly websites using JavaScript, React, and Next.js, improving site accessibility and navigation.
- Enhanced user engagement by 20% through optimized UI/UX design and interactive components.
- Converted Figma mockups into fully functional, cross-browser-compatible websites, ensuring consistent performance across devices.
- Managed version control using Git, streamlining collaboration, and maintaining project integrity

Frontend Developer Mentee

Remote

TechUp Africa Mentoring Program (TAMP) | [Certificate](#)

Jan. 2025 - Jul. 2025

- Advanced frontend development skills by creating responsive, user-focused web interfaces with HTML, CSS, JavaScript, and React, applying mentorship insights to real projects.
- Built a cross-border professional network with mentors and peers across Africa, enhancing technical problem-solving and career readiness through collaboration.
- Awarded a Certificate of Completion for successfully finishing the selective 2025 TechUp Africa Mentoring Program, showcasing dedication to career and technical excellence.

She Code Africa

Remote

Front-end Developer Intern | Github : [Farm Management Project](#)

Nov. 2024 - Mar. 2025

- Collaborated with a team to develop a farm management web application, enhancing agricultural productivity.
- Designed and implemented responsive UI components, improving mobile compatibility and user experience.
- Integrated form validations and dynamic data presentation, reducing input errors and enhancing usability.

## LEADERSHIP AND VOLUNTEER EXPERIENCE

Secretary-General

National Association of Computing Students UNN Chapter

Mar. 2025 - Present

- Oversee administrative duties, including documentation, meeting agendas, and official correspondence.
- Organize and facilitate leadership meetings, driving strategic discussions and action plans for student engagement.

Volunteer, TechGirls Drive Advocacy 2025

Tech4Dev (Hybrid) | [Certificate](#)

Mar. 2025

- Mentored and coached over 1000 young girls across Nsukka, promoting interest in technology and STEM career pathways.
- Coordinated outreach efforts that helped expand program reach by 30%, supporting TechGirls Drive Advocacy's mission to empower girls in technology.
- Received recognition for outstanding dedication and commitment in advancing female inclusion in STEM fields.

## Project Manager

ALX Professional Foundations Program (Remote) | [Certificate](#)

Nov. 2024

- Led a diverse team in solving a global challenge using the McKinsey problem-solving approach, developing an innovative and structured solution.
- Coordinated team efforts, ensuring effective collaboration, timely task execution, and project success.
- Conducted market research and data analysis to support decision-making and enhance project impact.
